

The Hallam Hawks Football Netball Club commenced as a Junior Club in 1967 and only became a Senior Club in 2012.

The Hawks are a proud local football and netball club who are a loud and proud family orientated club, they also celebrated its 50th year in 2017. We are in Melbourne's Southeast, playing in the Southern Football Netball League.

In 2017, the club also won the Seymour Cup, a preseason cup held against all divisions where we defeated Bentleigh.

2018 saw our netballers take out their first premiership in Division 8.

2019 saw our women's teams make the grand final and our senior men's and reserves also participate in finals.

2020 our season was wiped out due to COVID19.

2021 our season started off strong, we had 9 wins in a row for our Senior Team, which was leading us to finals till COVID19 interrupted once again.

All 4 of our teams are eager to put the hard work in and be in the finals again for 2022 and take home a premiership flag.

We are striving to grow the network. We invite you to be a part of the Hawks in Business – a structured sponsorship affiliation designed to integrate the club network, cultivate relationships and most importantly facilitate real opportunities for your business!

It's an exciting time for our club and I am honored to be able to work with everyone at Hallam FNC, Our Business Partners and stakeholders, to help shape and drive its future. Our goal is to lead, inspire and support the club in every way to be successful in all its endeavors, including delivering of consistent competitive football and netball teams.

Kind Regards

Graeme Casey

President

Hallam Football Netball Club
